

# Become a Reseller

Market and sell award-winning safety training through your own custom-branded online store. We make it easy with an intuitive interface, automated workflows, and industry-leading technology and support.

## How It Works

### Choose

Select offerings from any of Danatec's extensive industry-leading library of online safety courses. Always up-to-date, always engaging, always compliant.

### Market

Distribute courses through your own LMS, or get your own custom online store, linked to your website and outfitted with your brand, your colours, and your logo.

### Collect

Start collecting revenue immediately with our fully-automated online eCommerce system. As soon as you sell a course, the money goes right into your bank account.

## Business Model

Start earning revenue right away with Danatec's competitive Reseller program.
