Greetings from the Calgary Firearms Centre and Conservation Education Centre for Excellence:

The Calgary Firearms Centre and the Alberta Hunter Education Instructors' Association (AHEIA) are pleased to welcome all shooters to our 2020 shotgun season. This year's shoot program details our many historic and popular registered and non-registered trap shooting events, and offers a wealth of information to those wishing to understand the nuances of a registered shoot, such as classification and handicapping, purses and options, and safety. The shoot calendar summary lists all events at the facility by date, so mark your calendars and be sure to attend. We encourage novice shooters to attend a registered shoot or sign up for a workshop this spring if you are interested but have never participated in a registered shooting event. We'll teach you all you need to know to feel comfortable and confident out on the line.

We are thrilled to see a sharp growth regarding the interest of the shooting sports, and this is most evident in our Women's and Youth Shooting leagues. With three sessions starting in May through to September, women and youth develop skills and confidence under the guidance of our experienced coaches. These leagues are a lot of fun and are an opportunity to learn something new, improve on technique and meet new people. Please visit our website, aheia.com, or call the Calgary Firearms Centre at (403) 256-0665 for more information and to register.

AHEIA is a registered charity and our goal of making wildlife and fish a part of the value system of every Albertan is achieved through a wide range of programs at our many centres throughout Alberta, as well as through our online offerings. The comprehensive training programs we provide, including the Canadian Firearms Safety Course, Hunter Education Program, Pleasure Craft Operator Training and Fishing Education Program become a launching point for specialized courses and workshops. The Essentials Series, including Bear Essentials, Bighorn Sheep Essentials and Archery Essentials, as well as youth seminars and camps, the Outdoor Women's Program, the First Time Hunter Mentor Program, various workshops and one-day events are more educational tools that provide individuals the skills to further enjoy our plentiful wild spaces.

Please be sure to check aheia.com for updates to shoot dates, closures and special events, such as Shotgun Coaching and Field Shooting workshops. The Calgary Firearms Centre has also become a popular location for team building and social events, such as stags/stagettes and fundraising shoots, which can sometimes limit public access to shooting fields. It is important to check the website, on social media feeds or call before arriving at the range, so as not to discover it is closed for a private event.

The Calgary Firearms Centre offers a safe and enjoyable shooting experience and welcomes shooters of all levels and abilities. Although we are the busiest facility of its kind in North America, our friendly and experienced staff are pleased to accommodate all who wish to participate in trap, skeet and sporting clays, year-round.

On behalf of all of us at AHEIA and the Calgary Firearms Centre, welcome once again and the best of luck in the 2020 shooting season.

Sincerely,

Robert A. Gruszecki, President.

GENERAL INFORMATION

- Prices** All services at the Calgary Firearms Centre are subject to GST. Prices listed in this Program do not include GST. ***Target prices are subject to change without notice in the event of an increase in the price of targets to the club.***
- Shells** Reloads will be permitted at all tournaments. A limited number of factory-loaded shells will be available at prevailing prices. A valid firearms license (PAL or POL) is required to purchase shells at the Calgary Firearms Centre.
- Camping** A limited number of camping spaces are available at \$10.00 per night. Power and water are available at \$15.00 per night, but the number of spaces with this service is limited. Washrooms and showers in the clubhouse will be open on shoot days. Campers please report to the Cashier's Desk. All campsite bookings should be made through gert@acheia.com or by calling the Calgary Firearms Centre at 403-256-0665.
- Practice Traps** Practice traps will be open during shoots. Practice rounds will be at regular Calgary Firearms Centre rates.
- Shoot Offs** All ties will be shot-off or carried over at the discretion of shoot management. Shooters are responsible for determining whether they are in a shoot-off and for reporting to the shoot-off when called. Shooters who fail to report timely will forfeit.
- Junior Shooters** Junior and Sub-Junior shooters will be exempt from target and trophy fees ***provided that they do not play any purse or option in any event.*** Junior and Sub-Junior shooters must pay ATA Day Fees and APTA Fees where applicable.
- Straight Pins** The Calgary Firearms Centre will award 100 Straight Pins to shooters scoring 100 in any event or sub-event of that length and 200 Straight Pins to shooters scoring 200 in an event of that length.
- House Guns** The Calgary Firearms Centre has a limited number of shotguns available for use by shooters. To use guns without direct supervision of Calgary Firearms Centre personnel, the user must have a valid firearms license (POL or PAL). Please check with the Cashier for rates.
- Alcohol** Alcohol is restricted to camp shelters or camping areas. Shooters are reminded of ATA rules which prohibit consumption of alcohol or drugs during participation in any event or sub-event or between events or sub-events, including shoot-offs.
- Trophies** Shoot management reserves the right to amend the trophy schedule for any shoot. If changes are made, they will be posted prior to beginning of the first event of the shoot.

CLASSIFICATION AND HANDICAPPING

- Classification will be based on official averages and known ability. In all cases, known ability will have a strong bearing on classification. Shoot management reserves the authority to change the classification of any shooter at any time and the additional authority through proper channels with the ATA to make any yardage change they deem necessary.
- Shooters are required to have their 16-yard and doubles averages computed prior to registration. Shooters who present an average card without all targets recorded and/or without averages being calculated ***will not be classified until the card is completed.***
- The following classification table will be used as a basis for all shoots ***other than the Provincial Championships:***

16 Yards		Doubles	
AA	97 & over	AA	93 & over
A	94 & under 97	A	89 & under 93
B	91 & under 94	B	85 & under 89
C	88 & under 91	C	78 & under 85
D	Under 88	D	Under 78

NOTICE TO SPECIAL CLASSIFICATION SHOOTERS

Lady I, Lady II, Veteran, Senior Veteran, Sub Veteran, Junior, Junior Gold and Sub-Junior shooters must declare themselves at the time of classification in order to be eligible for special category trophies, if available. ***It is the responsibility of special category shooters to ensure that their special category has been noted on their entry form prior to cashiering for the first event entered.***

RULES AND REGULATIONS

All tournaments will be governed by the rules of the Amateur Trapshooting Association. Every person who enters a competition agrees to abide by the rules of the Amateur Trapshooting Association ***and*** the terms of this Program ***and*** to accept all decisions of shoot management.

DUCKS UNLIMITED CANADA'S WATERFOWL HERITAGE PROGRAM

In 1938, a group of waterfowl hunters pledged to conserve wetlands so that bird populations could thrive. Today, Ducks Unlimited Canada helps promote the waterfowling tradition with its **Waterfowl Heritage Program** by providing sponsorship funds and supplies to community organizations and groups that deliver learn-to-waterfowl camps and events for youth and first-time hunters anywhere in Alberta.

PURSES AND OPTIONS

There are no compulsory purses in these tournaments. You may shoot for targets and trophies only or play any purses or options in the program.

- Purse** One purse (no yardage split) divided 50/30/20% – hi-gun system.
- 50's Option** Three 50's. The first and second 25 target sub-events constitute the first 50, the second and third 25 target sub-events constitute the second 50, and the third and fourth 25 target sub-events constitute the third 50. Entries divided equally into three purses, one for each 50. Each purse divided 50%/30%/20% – percentage system.
- Lewis** One class per seven shooters entered. A number of entries not evenly divisible by seven will be rounded to the nearest seven for the purpose of establishing the number of classes. Maximum three classes in any event. Total purse divided equally among classes. Each class purse divided 60%/40% – percentage system.
- 50/50 Club Pots** 50/50 Club Pots are made up of three separate 50 straight purses in any 100 target **handicap** event. The first and second 25 target sub-events constitute the first 50, the second and third 25 target sub-events constitute the second 50, and the third and fourth 25 target sub-events constitute the third 50. Entry fee is \$9.00, of which \$3.00 will be added to each purse. Any shooter who plays the 50/50 Club Pots and breaks all of the targets in any 50 will receive 50% of the purse for that 50. If more than one shooter breaks all of the targets in any 50, they will divide the 50%. Club Pots are progressive and will be carried over from one handicap event to the next, from one shoot to the next and from one year to the next. Entry fees paid at a shoot are added to pots after payoffs are calculated for the shoot.
- Special Event** Proceeds of all bids (less 10% retained by the Club as an administration fee) and shooter entry fee of \$10.00 form the purse. Purse will be divided into one money per seven shooters entered (rounded to the nearest seven) – hi-gun system. Shooter 25%, buyer 75%.

Designing the AHEIA Conservation Education Magazine and 2020 Calgary Firearms Centre Shoot Program

SAFETY

- The practice of tracking targets behind a shooting squad is unsafe, disconcerting to the shooters, and is not permitted.
- A gun, which for any reason fails to fire as intended, must be promptly opened without any subsequent determination by the referee/scorer of the cause of the failure to fire.
- Test shots will not be permitted under any circumstance.
- All guns must have the action opened and contain no live or empty shells at any time, except while the shooter is on the firing line. A break open gun may be closed when it is in a gun rack but it shall not contain a live or empty shell. A gun other than a break open gun must have the action open when it is in a gun rack and it shall not contain a live or empty shell.
- A shooter may place a live shell in his gun only when on a post facing the traps. In singles or handicap a shooter may place only one shell at a time in his gun. In Doubles a contestant may place two shells at a time in his gun. All live and empty shells must be removed from the gun before moving from one post to another. Snap caps or recoil reduction devices may be excluded from the foregoing only if colored a safety orange so as to permanently identify them as not being a live or empty shell. In changing from one post to another, the shooter will not walk in front of the other shooters.
- A shooter must not in any manner interfere with the preceding shooter by raising his/her gun to point or otherwise create an observable distraction.
- Shooters are not permitted to shoot while seated in or otherwise using a golf cart on the firing line. Single passenger conveyances are the appropriate means for participating should one require assistance due to permanent or temporary disability.
- All guns must be equipped, fitted and used so as not to eject empty shells in a manner that substantially disturbs or interferes with other contestants.
- If a flag, orange pylon or stop sign appears on the traphouse, immediately unload your gun and wait until it is removed, indicating ready.
- Do not place your hand or any other part of your body over the muzzle of your gun. The practice of resting the muzzle of a shotgun on a shooter's toe is discouraged.
- Do not point your gun in the direction of any person even though you know the gun is not loaded.
- Only target loads conforming to ATA specifications may be used.
- Each shooter must have his own gun while on the firing line. The practice of sharing a gun on the firing line is dangerous and will not be allowed.

- Protective shooting glasses and ear protection must be worn.
- All empty hulls that hit the ground are the property of the Club.
- All adjustments of the trap machines will be done by authorized personnel only.
- All loading of trap machines will be done by authorized personnel only.
- The Calgary Firearms Centre reserves the right to refuse shooting privileges to any individual possessing faulty firearms and/or ammunition. The Calgary Firearms Centre also reserves the right to expel any individual who, in the opinion of shoot management, disrupts the harmony of a tournament.
- The Calgary Firearms Centre assumes no responsibility for injuries or damages resulting from the use of firearms. The Calgary Firearms Centre assumes no responsibility for the use of faulty firearms or ammunition.
- The Calgary Firearms Centre reserves the right to refuse shooting privileges to individuals who, in the opinion of shoot management, are not in a mental or physical condition to handle a firearm.
